Since 1993, Metford Cobras Football Club has been a hub of the local community. We promote sportsmanship, fun, and a love of football for families in the Hunter Valley. Our club has junior teams from Under 6's to Under 12's and two senior All Age teams. Over the year we host thousands of people who come to our grounds as players, parents, and supporters for our winter competition, summer 6's competition, and end of year Gala Day.

Not only would your support in 2026 help us to provide better training and game day experiences for our players, but it is also a great way to represent your business both at home and across our playing regions of Hunter, Newcastle and Lake Macquarie. Sponsorship comes with many benefits (along with the gratitude of our players, parents, and supporters).
